Dear Mr. More,

Please accept my thanks for a very entertaining "Miracles of the Mind" performance at our Quest for Excellence awards dinner April 12, 1997. It could not have been easy to come on at the end of a full dinner program and a very long day for our Quest team members, but you were able to get the whole room involved and energized almost immediately. Your use of humor and ability to work with the audience quickly won everyone over.

Needless to say, no one was able to figure out the "trick" you showed us, nor could anyone explain how you were able to pull in the thoughts of people from all over the room, but we had a good time trying. Your performance allowed us to end the evening on a high note, which is exactly what we were looking for.

Thanks again for helping to make the awards dinner a special evening for all of our people, one they will remember for a long time.

Best regards,
