

RUTGERS UNIVERSITY BASKETBALL

To Whom It May Concern:

The Denny More Hypnosis Show has been a part of my summer basketball camp for the past eight years. Three shows per summer.

Every show without exception has been a huge hit with our campers, staff, and parents. Denny More always arrives early, stays late, is prepared, and highly enthusiastic. His show is both fascinating and fun. He is one talented individual and a real professional.

I couldn't imagine an audience that wouldn't enjoy this show. Denny More has done over twenty shows for my business and I've always felt it was money well spent.

If you are considering booking his show please feel free to call me. I give it my highest recommendation.

Sincerely,

Kevin B. Bannon
