Dear Denny,

Every time you appear on "*Scott and Todd In The Morning*" the station switchboard is flooded with listeners calling to tell us how much they enjoyed your segment.

We are pleased that you have accepted our invitation to appear at Scott & Todd's live Summer Blast-Off this Friday down in Point Pleasant Beach. You are a welcomed addition to our star line-up which will also feature performances by Melissa Etheridge and The Knack.

As always, we look forward to a great performance.

Sincerely,

Bruce Goldberg
Executive Producer
